Welcome to Emory, Class of 2022! Your journey begins now!

We are kicking off your Eagle experience with Destination Emory – new student send-offs for first-year and transfer students! Join your fellow incoming Emory and Oxford students for a chance to connect with Emory alumni, staff, and parents. These casual receptions, hosted by current Emory families and alumni, provide opportunities to network, ask questions, pick up best-practice tips, and learn what to expect when arriving on campus.

Alumni and current students are encouraged to attend to share their favorite Emory memories and offer advice to incoming students at these summer gatherings.

All cities and dates are listed below. Space is limited for many locations, and we are asking that you only attend one event.

Register now and build community even before you arrive on campus in August!
We look forward to seeing you in a city near you!
